The provisions of any existing written contract between Buyer and Seller for the same goods take precedence over any inconsistent terms or conditions of this Order. These terms and conditions may be changed or supplemented only by written agreement between Buyer and Seller. Invoices shall be dated no earlier than date of shipment or delivery of service. The discount period begins upon receipt of invoice, required delivery date, or date any applicable discrepancy is resolved, whichever date is later. Buyer will pay non-discountable invoices no earlier than sixty (60) days after receipt of invoice, required delivery date, acceptance, or the date any applicable discrepancy is resolved, whichever is later.

3. TIME: Time is of the essence and the Seller agrees to deliver the performance of the Order within the time and in the manner specified or within the time of such extensions as may be granted and Seller shall be liable for any damages suffered by Buyer due to failure of Seller to deliver within the time specified, including but not restricted to that portion of liquidated and/or special damages asserted against Buyer by the Buyer's end-customer for such delay period as Buyer finds is attributable to the Seller's late performance.

Upon receipt of such termination notice, Seller shall promptly comply with the directions contained in such notice and shall, as required, (a) take action necessary to terminate the portion of the Order as provided in the notice, mitigate any Seller costs, and (b) continue the performance of any part of the Order not terminated by Buyer.
